I received your letters but have been too busy to answer because of the coming final exams of 1½ hrs. each. Still am busy but had to stop & let you know all is well.

Pop + mom want you to tell Maray (Miji) to send your stuff to us. I mean all your, baggage and whatnots - It won't be any bother to us. Besides that, if we send the baggage from camp, all express is free + that much money can be saved to 9! How about it, huh! We're gradually doing a few odd and ends of getting rid of jinks! We'll be needing rope because only 3 rolls of rope that you sent won't be enough so we'll have to ask Rowen.

Haven't heard from the Boultons yet! How's the Opa auction stuff coming along? Fine, I hope. Mr. Doki + Hirosaki went to Oa. and found all the same and people all were pleasant. Mr. Tahaka went, too! He says it's about the same! Boy, I wish I could go for a day!

Say, I better get down to brass tacks of studying so be good + keep on writing until I get to answer with a letter.

Excuse writing! As ever
Max

P.S. I sent you one of Mauzanaro's high school annuals! I hope you enjoy it. Joe will get one too. I sent him one. Pretty good, huh!
