

Request

February 18, 1944

Dear Sir

May we have this opportunity to have suggest our genuine requests as the followings.

Request for the release of persons named "Obara, Wataru" and "Shimamura, Hiroichi" formerly the residents of 26 #

Our unanimous & genuine wishings is that both of them to be released immediately as possibly can.

Due to this matter of fact we are wishing to request on your kindful assistance of any deal that is possible.

We will be much thankful and will greatly appreciate it if you will do them that favor under your graciousness & greatful mercy.

Due to the certification of their personalities we are sure that they

are quite calm and nice.

As for instance the records they both have had done in the past period during the existings in Topaz Relocation center and in Sand Island Detention Camp will describe the whatabout of their personality, and also it will give the doubtless and evident certifications.

meantime we are sure and will assure their going of activities after his released, that they both will never do anything liable that will cause a trouble.

We will surely take in charge of this responsibility. So will you please do for them that favor to release them from their present situation.

Thanking in advance we will be remaining

yours truly,
