Hello Everyone -

We wish to thank  
you all most kindly  
for the beautiful  
Chrysanthemums  
you sent us. The  
flowers arrived  
Sunday in perfect  
condition and we  
have them in the  
living room and  
they are as fresh

picking tomatoes for  
Mrs. Freitas. We were  
fortunate - that the  
frost is late this  
year.

How is you? When  
you take a picture  
of her we would  
like to have one  
if you can spare  
it.

Again we thank  
you for the flowers.

as the day we  
received them.

Mrs. Freitas certainly  
appreciated the flowers  
also and we brought  
some to Mrs. Freitas's  
grave. They certainly  
looked lovely.

You folks must  
be at the peak  
busy season now.  
Will there be any  
damage if frost comes?  
We finally finished

Regards from all.

Sincerely,  
Susan Jane.

P. S.

When you are through  
with the Mums  
we would like to  
have you come  
for a visit.
