Midnight -

Dear Frank,
Our phone bill just arrived
and I had it checked so we can
see the calls you made from our
phone - I have ruled out the 2
calls of April 23rd & April 24th that
were made before you came down
here and our regular monthly service
charge of \$6.70

If it's alright with you, we will
have you send us \$50⁰⁰ as your portion
of the phone bill and we will consider
it even - okay?

Please note this bill must be
paid by the 6th of June so we will
appreciate it if you will send us a
check before then so we can get
this bill taken care of -

How are things with you and Kathy?
I've been real busy here - Did a TV show
for Joe Deje at KNXT that is being
aired on Sat. May 26th on a program

called "The Peoples Corner" They made a
Cassette of the program for me already
because I won't be there to see the
show as I'll be up at Lake Lake.

Will be doing another TV interview type
of show on June 13th with Geo. Takie +
possibly Harry Pitano too - More about it
later -

Will be in touch soon - Regards
to all from Jack + me -

Always,
Amy
