1. Abolish discrimination in forty-eight state and give us equal living rights.
2. Give our parents a freedom of rights to possess property and give us equal rights as those of American soldiers.
3. Abolish the special combat unit which is formed for nisei soldier as soon as possible.
4. Nisei soldiers treatment should be improved and give us opportunity for higher rank.
5. Let us go back to California and restore the condition of those in the pre-war days, and give security for the damage done by Evacuation.
6. Give us security for post war occupation.
7. Give our parents a full protection from public violence.
8. We believe that to destroy the Freedom and Equality by public and putting the pressure on minority group is a contradiction of winning the war and have no significance in the fundamental policy of the country. We wish to have these points cleared.

Following are a few questions and requests relative to Selective Service for the Nisei, which we would like to have answered.

Questions:

- 1. What is the reason for reclassifying us from 4C to 1A if we are not given our rights?

Requests:

- 2. Abolish all segregated units and open all branches of the Service to us.
- 3. Accord all Nisei soldiers equal promotional rights as Caucasian soldiers.
- 4. Allow us to go back to California and restore the condition of that in pre-war days, and give us security for the damage done by evacuation.
- 5. Grant our alien parents equal treatment and accord them the privileges granted to Italian and German aliens.

Questions:

- 6. If we are to go into the armed services of the United States without the restoration of our rights, what are we fighting for?

SK Block Draft-agers
February 16, 1944

Notion:

To make a request to the Council who will in turn request the proper authorities to restore our rights. If this request is denied, we are to take further steps in the form of a demand.

SO MUCH WORK.
SO LITTLE TIME.
