Few days ago, I received a letter from the office of project attorney to call at his office at earliest convenience time. the story is they came after me today. Ate lunch two p.m. and came home in time for supper. I shall send this copy to you later.

To-day I received a letter from director of California, Selective Service, State of California. It states;

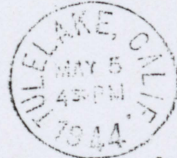

Selective Service applies to all male person residing in the U.S., regardless of his citizenship or ancestry..... and therefore, it will be necessary for you to appear for pre-induction physical examination on ***** at the Tule Lake hospital accordance with the order.....

Many person are receiving there calls and majority of the draftee are packed and ready to go to so called 'Hotel' in our modern age. Its best, ask me I know.

Well, Frank, I must say so short until next. I need shut eyes and its morning two. Give my best regards to your family and Mr. Kubota.

Sam
