Dear Mr. Ishii,

According to the publication on PACIFIC CITIZEN (I subscribe it), edition dated on March 23 last, please add my name to the list of those signing the Open Letter to Senator Samuel I. Hayakawa.

Sincerely, I hope my little contribution be useful for the cause of Redress Campaign, for which, as a Brazilian Japanese (a nisei), I give all my moral and spiritual support.

Finally, I would be very grateful if you send me a copy of the Open Letter.

Very truly yours,

Contribution: \$5.00
