

"This war must be our last," George E. Webster, World War I veteran from Cheyenne who fought "from one side of France to the other," said last night.

Webster, residing at the veteran's facility, spoke on the eve of Flag Day, urging persons to buy war bonds in commemoration "of the day and the greatest of all war loan drives" which started Monday.

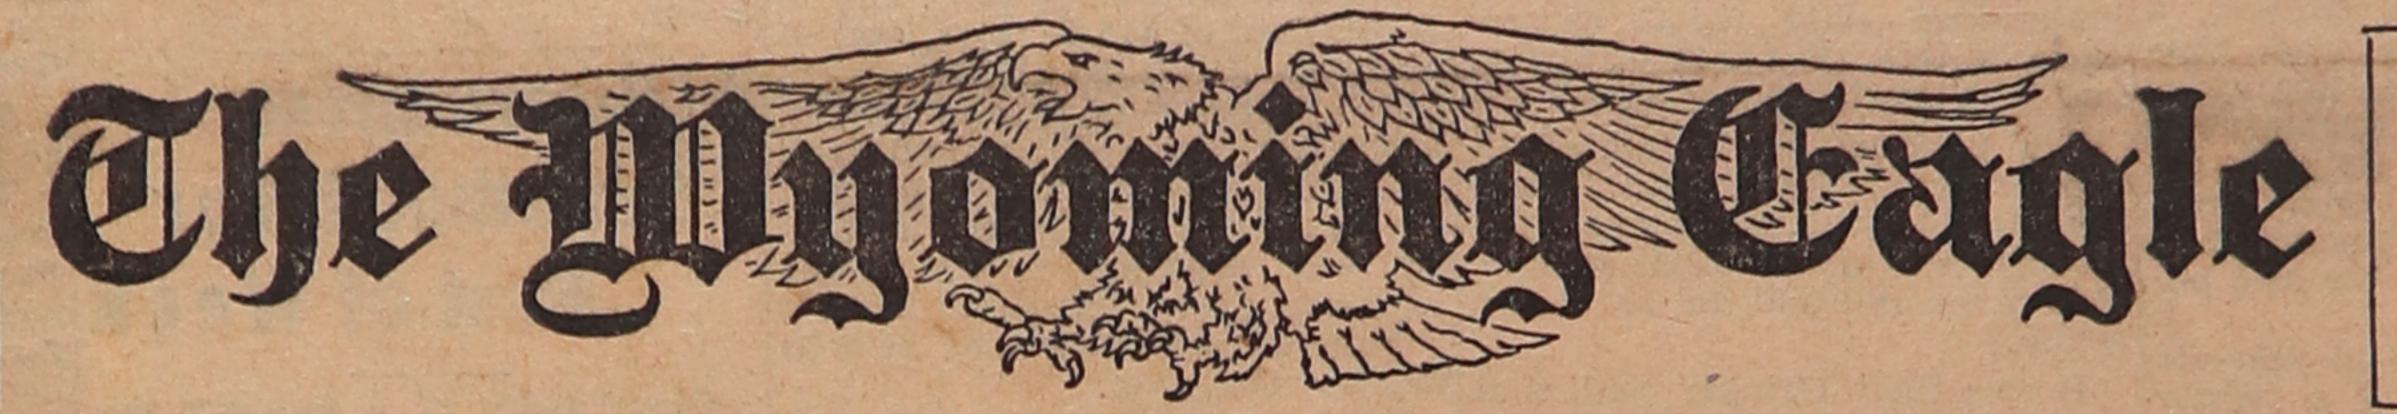

In commemoration of the day, the Veterans of Foreign Wars of Cheyenen are sponsoring a dance tonight at the 20th and Capitol USO for "Veterans of all wars" from 8 to 10 p. m., William Cherry, senior vicepresident, announced yesterday.

O. A. Kelly, patriotic instructor, will make an address on the significance of "this Flag Day," it was stated.
