10:00 P.M.

Mr. H. Ueno was arrested as a suspect and taken to the Independence jail by Campbell after being questioned at the Manzanar Internal Police Station.

The Incident of December 6, 1942

December 6, 1942

1:30 P.M.:

Thousands of residents of Manzanar gathered in front of No. 22 mess hall's fire break and decided to negotiate with the administration officials concerning the release of Mr. H. Ueno.

The Negotiation Committee representatives selected by the people of Manzanar are as follows:

Mr. Joe Kurihara	27-14-4
Mr. Genji Yamaguchi	13-1-2
Mr. Shigetoshi Tateishi	23-11-2
Mr. Sokichi Hashimoto	19-4-3
Mr. Raymond Hirai	2-2-4
Mr. Kazuo Suzukawa	8-5-4
Mr. Tom Nakagawa	22-10-4

1:45 P.M.

*Above committee promised to report the result of negotiation with the administration to the people at 6 p.m. of same day at same place of No. 22 mess hall's fire break.*

2:00 P.M.:

Soldiers were seen when the multitude was walking down to the Administration area.

The representatives met with Mr. Merritt in front of the Administration Building and began the negotiation. In the meantime, Mr. Campbell called out the military police who had bayonets and machine guns. There were about 60 M. P. lined up along the front of the Administration Building and the side and back of the Police Station. Enforcements arrived immediately and confronted the crowd.

The Negotiation Committee and the administration officials reached an agreement to bring Mr. Ueno into the Manzanar Police Station's custody. The Negotiation Committee agreed to meet again at 6:00 p.m. at the Police Station. The people of Manzanar approved to meet again at the 22 fire break at 6:00 p.m. for consultation concerning this incident and the committee's report about his release. Then the military police and the crowd disbanded.

4:00 P.M.

Mr. Ueno was brought back to Manzanar from Independence escorted by Chief of Police Gilkey at 4:20 p.m. At that time, Mr. Campbell was seen to be looking from around the corner of Bldg. 4 in Block 1 at the return of Mr. Ueno.

6:00 P.M.

The people of Manzanar gathered at 22 fire break and decided to go to the hospital and the Police Station. Half of the multitude went to the hospital and the other half went to the Police Station. The crowd at the Police Station was waiting for the return of Mr. Ueno and the appearance of the Negotiation Committee, who were in the Police Station waiting to confer with Mr. Merritt. They waited until 9:00 p.m. at which time Mr. Merritt arrived at the Police Station from Lone Pine.

9:00 P.M.

Before the Project Director arrived, either Mr. Kurihara or Mr. Yamaguchi warned Captain Hall, "If you don't release Mr. Ueno now, even for temporarily, I am afraid that something might happen." Replied by Captain Hall, "If anything should happen, I'll take the full responsibility.

9:20 P.M.

The multitude of approximately 4,000 was gathered at the side of the Police Station waiting. Then suddenly tear gas was thrown at the crowd by the military police. The people were startled and started to run to safety, and it was then that several successive shots were fired at them.

Personal Report by Frank Fukuda of 14-7-1

I make a statement as follows:

At approximately 9:20 p.m. Captain Hall ordered the M.P. to shoot tear gas and reminded each one "Remember Pearl Harbor." The M. P. wore their mask and made ready. "Shoot" order were given by Captain Hall.

December 6, 1942  
(continued)

11 P.M.:

The people disbanded and later met at No. 10 mess hall to discuss again what should be done about everything that had occurred up to that time. Also, each block manager called a special block meeting.

An unknown party assaulted Fred Tayama on December 5, 1942, approximately at the time of 7:30 p.m. to 8:30 p.m. The Manzanar Police Department arrested several suspects but all were released that day excluding Mr. Harry Uyeno. The suspect was taken to Independence upon custody. It is presumed by the people that Mr. Campbell's action as to sending Mr. Harry Uyeno to Independence was obviously to satisfy his personal resentment toward Mr. Harry Uyeno.

Knowing the above reasons the Manzanarians complained and demanded an immediate release of Mr. H. Uyeno. The people had selected five representatives as their Negotiation Committee to ask for the release of the suspect. The representatives supported by the crowds had gathered in front of the Administration and also the Police Station at approximately 2:00 p.m., demanding for the release of Mr. H. Uyeno. The crowd had followed for fear that the representatives may be held for being the leaders. The representatives had negotiated with the Administration and also the Police Station, stating that they had no authority to send any resident of Manzanar to any outside location. It was demanded by the Administration Office to disband the crowd with the understanding that the suspect will be returned to camp within an hour. The Manzanarians wanting to know the results had gathered in front of Kitchen 22 that evening. Knowing that the suspect was innocent, it was their intention to have Mr. H. Uyeno released immediately. Once again the crowd assembled in front of the Police Station with five representatives, doing the negotiation within the Police Station. Approximately 9:20 p.m. the M. P. 322nd Escort Company soldiers threw tear gases to disband the crowd and at the same time had shot the people while they were running to their safety. There was no intention within the crowd of ever overtaking the armed force.

There were eleven casualties at that time, in which one had died while being taken to the hospital. On the 11th date of December another had died from a gun shot wound in his abdomen.

December 7, 1942

8:30 A.M.

People of Manzanar gathered at No. 22 Mess Hall for discussion of the situation. Selected three representatives from each block. Discussion is continued by the 105 representatives. At that time six negotiation committee are selected by the 105 block representatives.

Names are as follows:

Mr. Tom Ozamoto	24-12-3
Mr. Bill Tanabe	1-11-1
Mr. Harry Ikkanda	16-13-1
Mr. George Murakami	34-9-1
Mr. Masunaga	19-6-3
Mr. Ogura	1-11-1

Manzanar was placed under martial law by Captain Hall (322nd M. P. Escort Co.) A bulletin was issued by Col. Mueller which was posted at each mess hall in both English and Japanese.

Bulletin as follows:

\*\*\*\*\*Notice\*\*\*\*\*

During the Period of the Present emergency the controlling Authority is the Military, and their orders must be obeyed. The Center, so far as is practicable, will operate in the usual way. Mess Halls, schools and administrative offices will be open as usual.

Mail will not be sent out nor will incoming mail be distributed. No incoming or outgoing telegraph or telephone messages will be allowed. People will not be permitted to leave the center, nor will outsiders be permitted to enter without authority from the Military. No group will be permitted to congregate without proper authority from the military.

Commanding

7:00 P.M.:

Mr. H. Tsuji was arrested and taken to the Lone Pine jail.

A JOINT ACCOUNT BY THE FOLLOWING WITNESSES  
(Kurokawa, Suenobu, Okamuro, and Oda)  
Police Officers of the Manzanar Police Station.

1. Conversation between Captain Hall and the Representatives.

Kurihara:

"Are you going to release Ueno this evening? We want you to release him because the crowd is excited. To avoid possible violence we wish you could release Ueno temporarily."

Captain Hall:

"If anything should happen, I'll be responsible for it. Absolutely no release."

2. The scene right after the shooting occurred, the four representatives carried a wounded lying on the ground into the police building. Asked the army doctor for examination. The army doctor orders the M. P. to call the ambulance. The answer from the hospital is that there is no ambulance available at that time. Then Captain Hall is asked to let the army ambulance carry the wounded. This is granted. But for some reason the soldiers are not willing to go and the patient requests to be taken to the hospital. (The wounded is bleeding badly and fears that his life is in danger.) A half a ton truck comes from the motor pool with a Japanese driver.

A short while before the truck arrives, Genji Yamaguchi is saying to Captain Hall as follows:

"We have been telling you that this kind of accident might happen. What can you do about this now? You made a big mistake. Don't you think you are responsible for all this?"

Captain Hall leaves without a word.

The scene of the arrest of Mr. Ueno and his opinion as testified by Mr. K. Higashi, Police Chief.

1. Mr. Campbell arrested Mr. Ueno and sent him to Independence by his own decision without consulting with the police chief.

Mr. K. Higashi believes he had a privilege as the police chief to have been consulted on this matter. He feels his privilege was disregarded.

2. Mr. Campbell had frequently interfered with the works of the police department and disregarded its decision; the police department and its staffs did not like it.

TO THE PEOPLE OF MANZANAR

It is my desire that you know the facts concerning last Sunday's events.

When I met with the committee led by Mr. Joe Kurihara shortly after noon, I agreed to bring Harry Ueno back from Independence to the Manzanar jail where he would await trial. The committee promised that the following conditions would be observed:

1. The committee guaranteed there would be no more mobs or mass meetings.
2. The committee guaranteed there would be no attempt later to free Mr. Ueno from the Manzanar jail.
3. The committee guaranteed that there would be no attempted meetings of any sort until the Center had gone back to normal conditions.
4. The committee agreed to help maintain law and order within the center, and in line with this would work with the police to deliver the men who beat Tayama.

THESE CONDITIONS WERE AGREED TO BY THE COMMITTEE

I KEPT MY WORD AND BROUGHT UENO BACK THAT AFTERNOON

THE COMMITTEE VIOLATED ITS WORK BY CALLING THE MASS MEETING AT 6:00 O'CLOCK TO URGE ONE GROUP TO GO TO THE HOSPITAL AND THE OTHER GROUP TO BREAK INTO THE JAIL

Law and order must be preserved in any community at any cost. If it cannot be preserved through the police it must be preserved through the military.

When those who said that they represented the people of Manzanar broke their word and resorted to mob violence, there was but one thing to do, and that was to turn over all authority to the military. I did this as a last resort to protect life and property from the rule of mobs.

There is no martial law.

The military are remaining with us as police to maintain law and order.

Since this is a true statement of the facts I have nothing further to say until the people of Manzanar choose to speak through responsible representatives.

Signed by Ralph P. Merritt  
Director

Minutes of the meeting held in Mess Hall 16, December 14, 1942

Chairman: Mr. John Aono  
Secretary: Mr. Frank Yasuda

Members of the committee: Mr. Ikkanda Mr. Murakami  
Mr. Masunaka Mr. Ozamoto

Present were Mr. Merritt, project director, Mr. Bob Brown, acting assistant project director, Father Leo Steinbeck and Mr. McLaughlin. The last two persons were present because of their knowledge of the Japanese language.

Roll call of those present was made by the secretary.

The meeting was opened by the chairman stating the fact that representatives of the respective blocks were present. (The block leader and two representatives from each block) Then he introduced Mr. Merritt.

Mr. Merritt introduced Mr. Bob Brown, Father Leo Steinbeck and Mr. McLaughlin, mentioning the fact that the last two persons were present because of their knowledge of the Japanese language.

Following are the highlights of Mr. Merritt's address:  
"I want to come to you today in a spirit of kindness..... that what I have in mind is the restoration of peace and order in Manzanar.....that nothing is so important that women and children have to suffer. The most serious difficulty comes from lack of mutual understanding. Military requires certain rules and regulations which we have to follow. You have permission to hold this meeting from 1:30 to 3:30 today. I am not here for the purpose of argument. I am here solely for the purpose of helping you create the kind of a community in whom you have the fullest confidence. Committees have come to me from time to time saying that they are the representatives of the people of Manzanar. Therefore I desire at this time to present to you a method of creating a committee representative of the people of Manzanar, for the purpose of trying to clear this issue. Notices were posted yesterday in each of the kitchens, facts which lead to the present crises. (He read the notice).....I will not be moved one part of one inch by any threat....or any demands which are unreasonable....but will go a long way in any step to advance the mutual feeling of good will....." Then he said that the committee should be no larger than seven that is representative of all the people of Manzanar. The best way to handle this matter is to write the minutes of this meeting, the names of the committee elected and the powers given to the committee and resolutions adopted. He also stated that breaking open of the warehouses or any government property will not be tolerated. He ended by asking for the cooperation of the people of Manzanar for a speedy

(continued)

return to normal living.

The chairman opened the discussion on whether a vote of confidence should be granted to the present committee or a new committee be selected from among those present. Mr. Murakami of block 4 asked whether the two persons who were detained will be allowed to come back into this community.

Mr. Nakashima block 35: As Mr. Murakami stated it is important to have these detained persons released to work in the original committee. We should also ask that the original committee headed by Mr. Kurihara be released to act as our negotiating committee.

The Chairman: Our present committee has conveyed this impression to the proper persons but as this committee was not officially recognized, there has yet been no reply.

Mr. Nakashima block 35: The original committee should be released so that we may consult with them.

The Chairman: May I call on Mr. Ozamoto to explain the conversations he had with Mr. Merritt up to the present moment.

Mr. Ozamoto: We first called on Captain Hall and Mr. Merritt about the release of the seven persons and for a request to have the Spanish Consul come to Manzanar. We have also told them about the fundamental principles and causes of this incident. Other minor matters were discussed such as guards in front of the boiler room in the hospital, guards by the food warehouses, blankets and clothing for the detained, etc. Last Saturday we talked to Mr. Merritt for an immediate solution of this incident. It was only last night that we found out that there was no martial law in effect and that this camp was again under the WRA rule. Another thing we talked about was whether this committee was the representative of Manzanar or the representative of bad elements of this camp. Therefore we requested to have this meeting. We had expected to ask Mr. Merritt to allow us, through his office, to contact the Spanish Consul and a telegram was written for that purpose. (He read the telegram addressed to the Spanish Consul in Washington asking for his presence here to help settle this matter.) Dr. Anderson residing in Block 35 was very interested in this matter and is willing to help the people of Manzanar but I think it is best to work out our problems ourselves first.

Mr. Miyota Block 28: Can you guarantee to have the original committee here at the hearing?

Mr. Ozamoto: This is not a matter of the detained persons. Our aim and purpose is of far more importance than that of release of the persons detained. Mr. Kurihara stated to one of his friends before he left here that his release was not so important and to take all the time so that this matter will be settled satisfactorily once and for all.

Chairman: How does this body feel about adding additional members to the committee or shall we just leave the committee as it is?

Mr. Matsumoto Block 26: It is my motion to leave it up to the present committee to decide and also leave the entire matter in their hands. We should express the fullest confidence in this committee and give them absolute powers. The second part of my motion is that we should have an advisory board to which this committee may turn to for counsel and advice.

Mr. Sato Block 32: It is my idea that we should have a larger number in this present committee. I want this body to approve for an addition to the committee.

Mr. Nakamura Block 2: Let us leave it up to the present committee.

Mr. Muro Block 1: If there is any addition to this committee I should like to recommend Mr. Anzai.

The Chairman asked for the vote on Mr. Matsumoto's motion whether to give full powers to the present committee to negotiate for the people of Manzanar. The body approved, by hand vote with the exception of two.

Chairman: What is the opinion of forming an advisory board as suggested by Mr. Matsumoto?

Mr. Ozone Block 17: I am in wholehearted agreement with the first part of the motion but as to the second part about the advisory board I think it best to leave that up to the present committee.

Mr. Matsumoto: I wish <sup>to</sup> draw my motion about the advisory board.

Chairman: I want this group here to come to all the meetings we may have in the future. I do not want to see any change of faces at every meeting. (all were in favor of this)

The Chairman called on Mr. Masunaka to speak on what he thought of this resolution made by the body.

Mr. Masunaka Block 19: As a member of the negotiating committee I want to thank you for the vote of confidence upon us and we hope to be able to live up to your present expectations to do as you wish us to do. If I may have your cooperation in this in that anybody we may call upon will willingly act as a committee (Sub-committee) for us.

The meeting was adjourned ten minutes to three.
