Dear Ms. Seriguchi:

I just heard about the Washington Post ad that Days of Rememberance plans to run. I do not have a form to fill out but would like to sign the letter and would like to contribute. I hope all the information you need is contained in this letter and that I will be able to participate in this expression of protest against Senator Hayakawa's position.

I am a Hawaii - born and raised Sansei and have been living on the East Coast for the past several years. My address appears above and my phone number is (202) 966-0498.

In support,

Cora Yamamoto
