EDITORIAL

Following the heels of the request of many Centerites for popular election, the administration officially announced last week that it will consider all plans of procedure presented to them by responsible groups. However, as yet, only one plan dealing with a "relocation center setup" has been introduced. Unless those who were openly in favor of election are willing to undertake this project, the abandonment of election in favor of appointed resident leaders may come. If so, the residents as a whole are not entitled to complain about the work performed by this advisory group. Before such steps are taken, those who are interested in this self-government idea should organize and formulate means for action.

Do you have athlete's foot? Do you want to get rid of it? Well, just read this and follow these three easy instructions. (1) Use foot bath before and after shower. (2) After shower dry well between toes. (3) During clinic hours go to clinic and bathe your foot in sodium hypsulphate.

methylene blue solution. When you come to use the foot bath at the clinic, please register at the hospital office so they may keep a record. Miss Dorothy Kato (head nurse) requests that all people refrain from going into the foot bath in the shower room with geta (wooden shoe). She also asks that when you have a mild case of athlete's foot, you treat it before it gets serious enough to confine you in the hospital.

SCREEN DOORS

720 and 170 more to go--then every barrack in the Center will be adorned with five new screened doors.

The carpenters have also: (1) put up over 3,800 window screens (2) made 90 sets of frames for the clotheslines, (3) made 150 paper boxes, 350 desk boards for the shower rooms, broom closets for each mess hall, (4) painted over 2,000 signs in both English and Japanese languages, and (5) salvaged 7,000 pounds of tin cans a week.

GALA TIME HAD BY THIRTY COUPLES!

The Center Store workers sponsored a get-together of 30 couples at the Boy Scout room last Wednesday night.

Lillian Fujisaki and George Matsuo were general chairman of the affair. Their committee heads were: Helen Kitagawa, music; Tak Wakimoto, bids; Alice Takahashi, refreshments.

Mr. William H. Hanlon, manager of the Center Store, furnished ice cream and soda.

FOLK DANCING

Plans for outdoor community folk dancing are in the making, according to Pop Suzuki.

If such an affair is possible, the advanced dancers will begin practicing next week, while the general practice will start after the Fourth of July.

New Movies - 4th
ALL DAY TODAY !!

Movies, on a temporary trial system, began a continuous all-day showing this morning in the Edex Hall.

All children under 16 years of age are admitted to the first show from 8 to 11 a.m. "The Fox Hunt" (Aesop Fable cartoon) and "Scopin' Fool" (comedy) are featured.

The adults will be admitted from 1 to 5 p.m., 7 to 8:45 p.m. and 9:15 to 10:45 p.m. "Tony Express" will be shown.

Because this setup is a new one, the Center-ites are asked to cooperate with the Recreation Committee. Doors will be closed immediately when the hall is filled. One show will take approximately one hour and 45 minutes.

FIFTEEN TAKE ADVANCED FIRST AID COURSE UNDER BEUTTNER

Fifteen members of the Recreation Committee have completed 20 hours of the Standard First Aid course and are now beginning their 10 hours of Advanced course under Mr. Bill Beuttner, a recognized instructor.

Those who pass this course will take the instructor's course. If they qualify, they, as instructors, will then set up regular classes for the Center-ites.

The First Aid students are Grace Hagio, James Hamasaki, Arthur Hisaka, Kosuke Ijichi, Jim Ishida, Vic Ito, Kats Nagai, Matsuo Okazaki, Jiro Okinaga, Ted Oseto, George Uyeda, Harry Itaya, Shigeki Higashi, Ruby Sakai and Kiyoko Hattori.

Since The Public box made its initial appearance, the staff has found but one letter in it. It reads:

Dear Editor:
Why don't you put out the El Joaquin weekly, so Ted Kamibayashi (incidentally, Pancho's messenger) won't have to work so hard.

Make the paper about 8 pages (4 sheets).

Thank you.....
P.S. Ted is lazy anyway!
Note: Ted has to keep in condition for softball.

PANCHO'S PALS VISIT MESS #2

BUMP-ITY BUMP!

This is the Stabbing Reporter who nosed out these facts for your enjoyment.

The question, "What do you think about girls wearing slacks to dances?" drew the following comments:
Vic Ito (smiling): "On a windy night, it's better to have slacks on. On all other nights, slacks are out!"

Dr. K. Takei (quiet): "Don't see anything wrong in it. It depends on the dances. As long as the dance is informal, I wouldn't mind at all."

J. A. (sly girl): "It's all right. You don't have to dress up to go to dances--not here."
M.S.M. (emphatic-boy): "I don't like ANY slacks--especially at dances!!!"

Josh Ostrabo (positively!!!): "Undignified -- looks sloppy. Shows the bumps in the wrong places!"
Mrs. T. I.: "It depends on the kind of dance. On the platform slacks would look better--from the practical viewpoint."

Chieko Ocura (hesitantly): "I think it's all right. It's informal.....so.....it's more suitable."
Agnes Yayoshi (deb of the teen-age set): "Doesn't look so nice. Some boys don't like it."

Pencho: Well, pardner, Jes' look at the car--toon and you--all git the gener'l idee.

Methers and hachelons, your worries are over! The Golden West Laundry has come to your rescue.

All persons must call for their goods each Saturday morning while the truck is here and pay for their bundle in cash. Stockton city prices will prevail. If the bundle is not called for, it will be returned to the laundry and brought back the following delivery date.

Since all transactions will be handled by the Golden West Laundry's personnel, no center employees will be involved.

The list of laundry prices is on the bulletin board in front of the Information Booth.

POOP-OUTS WIN! TRIM GRAPEPICKERS 15-5 FOR 7th STRAIGHT. CARDS WIN !!

It was victory No. 7 without a setback for the high-flying All-Center Poop-outs, who this time swamped the winless Grapepickers 15-5. First sacker Ted Shironaka kept up his terrific hitting for the Old-timers with a 3 for 4.

The second place Cardinals jumped back into the win column, after dropping two disastrous games, by whipping the Ramblers 8 - 2 on Nobu Tanimoto's 4-hit job.

The Hell Divers stayed in second place by coming through with a well-earned 4 - 2 victory over the Block 6 Spartans.

Smacking the horsehide for 17 hits, four of them by George Ouye, the Shangri-las dumped the Giants 13 - 5.

NATIONAL LEAGUE

Home Run Race

The National League home run race sees Card's Nobu Tanimoto and George Oune, Ramblers' Frank Asada, and Shangri-la's George Ouye deadlocked with 2 home runs apiece as released by the recreation Department.

With the American League flag race past the half way mark, now we see the star-studded Bk. 5 seds out in front with a full game lead over their nearest rival the Yankees.

Behind the steady twirling of their two aces, George Babe and pint-sized Mike Takeuchi, coupled with the graceful defensive fielding, the Reds are definitely championship bound and shouldn't encounter much difficulties down the home stretch.

The chief reason for their success is due to all of their players being former double "A" herdball stars, namely; first sacker Frank Horita of 1941 Northern California Japanese Baseball League champion Stockton Yamato, 1940 league batting king and All-star player.

Kiichi Hiramoto, infielder on 1940 state champion Lodi YABA Templars; Fred Masai, Yamato star and all-time Stockton American Legion outfielder; catcher, Sutch Hayashi of Templars, and Lodi Legion nine and 1941 NCJBL All-Star.

Frank and Ted Kimbuyashi, Yamato regulars; Les and Keizo Okuhara, Templars, NCJBL All-Stars; and Tek Horita, key man of the 1936-37 NC class "E" king pin Cherokee Indians.

The only other club that can possibly block the path of the Red's title hope are the second place Yanks and Bears.

Two other tens that probably can give the loop leader a hot time are the hot and cold Bums and the colorful Rainbows, both of whom hold the only wins over the seds.
